PASS OPTIONS (for home events)

STUDENT PASS (\$35.00 Student) – This ticket will allow students to attend all high school home events, excluding IHSAA sponsored tournaments. A ticket may be purchased for any student (grades K-12), but may only be used at Lake Central High School athletic events. This pass is not transferrable.

SEASONAL PASS (\$60.00 Adult) – This pass may be scheduled for either the fall, winter, or spring sports seasons and admits you to an unlimited number of events for the season you purchase (note: Fall usage dates are from Aug. 1 thru Oct. 15; Winter usage dates are from Nov. 1 thru Feb. 25; Spring usage dates are from March 1 thru May 19). You determine your preferred season upon purchase.

Individual Adult Superfan Pass (\$120.00 Adult) – This is still the best bargain in town. For an adult superfan, the cost savings could amount to over \$700.00 for the entire school year, excluding IHSAA tournament events. We realize how difficult it is for one fan to attend All Lake Central home events, but we hope that with the purchase of this ticket it will encourage fans to attend more events.

Senior Citizen Pass (62 & Older) (\$25.00) – You must be 62 or older to purchase this pass. We have the right to verify this at the gate. This pass will allow one senior citizen to attend all Lake Central High School home athletic contests.

All students in grades K-12 must either scan their pass or purchase a ticket for entry!

All passes are excluded from use at any IHSAA tournament or special event tournament hosted by Lake Central High School.
